OBJECTIVE

Join a team operating powered forklifts in a warehouse or freight dock.

ACCOMPLISHMENTS

- Licensed on Crown RR and RM model high reach forklifts with 1 year and 10 months experience
- Licensed on Barrett double and single jacks with 1 year and 10 months experience
- Trained in order selecting using vocollect headset system

CAPABILITIES

- Consistently pull 110%+ production doing replenishments and putaways on reach lift
- Consistently pull 110%+ production order filling perishable food items
- Safely wrap finished pallets using shrink wrap machines
- Neatly stage pallets on shipping dock for loading
- Unload trailers and operate dock plates
- Follow all safety rules in a busy, high volume, refrigerated environment
- Work as a team and maintain a positive attitude with "clean as you go" in mind

EMPLOYMENT HISTORY

Walmart Logistics, Cheyenne, WY

Lift Driver, 2017 - 2019

Inspect forklift at beginning of shift and report any issues to maintenance. Pull pallets on reach lift from various rack heights to replenish pick slots as they are emptied by order fillers.

Remove all shrink wrap, bands and trash before placing in pick slot. Put away pallets in racks during overlap with receiving shift. Safely navigate aisles shared with order fillers. Work with managers to address business needs and order fill or haul pallets as needed. Complete all open moves and sweep aisles before leaving.

EDUCATION

Rocky Mountain High, Fort Collins, CO

H.S. Diploma, 2006

Completed High School with a focus on wood and metal shop electives.
