WORK EXPERIENCE

Assembler

ernest products. - sandford,fl - 2015-09 - 2016-06

Responsibilities

I worked with sheet metal so that would include, grinding , sanding, assembly work, and I built electronic billboards .

Accomplishments

I learned more then most got a position to build billboards and moved around to each seprate department ,to learn but also help and give a hand .

Skills Used

I demonstrated how to use power tools of all kinds ,grind tools ,and I learned how to wire and get a billboard run and working right .

Detail Assistant

Clintons Auto Body - Wellington, CO - 2012-05 - 2013-02

To provide assistance to auto body painters. Always being there when needed and not leaving til the job is done

Construction Worker

Jimmie Ramage and Sons - Fort Collins, CO - 2011-11 - 2012-05

To be a helpful team member while the construction is active. To constantly be productive and help all my team members, work as a team and work as hard as I could.

Sales Representative/Customer Service

Center Partners, Inc - Fort Collins, CO - 2010-01 - 2011-07

When working at center partners I worked for Tvo , and took inbound calls for customers who need assistance with there service with us or give information to new potential customers. I also delt with their account and financial processes. When working there I did stand in the top 3 sellers for that branch .All in all great company and great experience learning from Center Partners .
