I Corey Stack, As seen by peers as, Responsible and hardworking warehouse guru who can collaborate with anything.

Work well alone or on a team. I strive to produce quality work on tight deadlines. Strong and physically agile. Very

Motivated, Will work until the job is done and done correct. Always willing to go that extra mile. I have a great passion for

doing whats right. I can listen and perform for extended hours without affecting performance. Skilled operations manager

with solid experience managing all levels of multiple projects including budgeting, inventory control, and administration to

drive profitability and growth.

Hardworking team member capable of moving heavy loads manually or with equipment.. Punctual, reliable and dedicated

to teamwork. Good maintenance and repair skills with excellent understanding of the English Language. I have learned almost everything concerning warehouse order selection/ operations work.

Authorized to work in the US for any employer

## Work Experience

---
