WORK EXPERIENCE

Order Selector

Sysco - Saint Cloud, MN - June 2002 to Present

Responsibilities

Description: Selecting boxes of dry and frozen food from the correct isle and maintain a respectable rate of boxes picked per hour, maintain one of the lowest miss-pick rates. Drive a forklift, work individually and with a team. Load trucks and provide excellent customer service to drivers waiting to be loaded and or unloaded.

Accomplishments

Honors, Awards, and Special Accomplishments:

Maintained an honorable miss-pick rate for Apperts (now Sysco) food service during the 14 years I have worked there. By doing so, a lot of time and money has been saved for the company by getting product selected correctly the first time around. Also, I'm honored to have been a recipient of an Eagle Scout certificate in the year 1992.
