Work Experience

Painter/package deliver with on track, checkin,

Thornton, CO

April 2021 to Present

Hello my name it's Cristian Bejarano , I've working at my dads company since 2021 .

What I do here in my dad company I sell jobs , I have experience selling jobs, walking jobs, talking to customers etc... I know how to talk to people and try to convince them to get the jobs , I also had a part time dropping packages with the company on track .

I have experience checking jobs making sure they are good , material, furniture etc.. im a painter so I have a lot of experience checking and making sure everything looks good sometimes we have to assembly furniture also before becoming a painter I used to work in another company delivering furniture as a helper , I also used to work as an Xcell technician what I was doing with them was installing new meters in to the houses
