Profile

I would like to join a restaurant that best matches my experience and desire to serve creative and quality food with personal, dedicated service to the customer and our community.

SERVER, BACARO VENETIAN TAVERNA, BOULDER, CO JAN 2011-AUGUST 2011
Consistently in the top three for sales. Bacaro serves a menu consisting of 95 small plates, and an extensive wine selection. Responsible for training new hires on the POS and menu.

SERVER, HEARTY RESTAURANT, CHICAGO, IL - 2010
Served dinner and craft cocktails in one of Chicago's Top 10 restaurants owned by The Food Network's The Hearty Boys. Quickly became "Most Requested Server" due to my passion for serving the outstanding food and drinks, and working with a team to provide each customer with a memorable experience. Completed opening and closing side-work with attention to even the smallest detail. Provided support to co-workers, and happily worked as a team to achieve great Yelp.com reviews, 3/3 Star Review from the Chicago Tribune, and the cover of the Food section of the Sunday Chicago Tribune.
