Experienced with stake bed, box truck, most material handling equipment, standup and riding forklifts. Comfortable in any warehouse situation. Excellent shipping and receiving and inventory skills. I enjoy working with will call customers, and have had great relations with on site companies and vendors. My ASE mechanic experience has often times been helpful in job site situations being able to keep equipment running with minimal down time and added expense. I do have basic carpentry skills, and experience in commercial remodeling. Witch entailed tear out, haul away, cleanup, painting and grounds keeping.
