Work Experience

Construction Worker/landscaping

Xterior Solutions
March 2019 to January 2020

In my job I am responsible for prepping our work trucks, making sure all tools necessary for the job are at hand . I work with four other crew men . Each one of us go from anywhere between 3-7 jobs in a day, where we are doing things such as removing trees , and planting new ones . Setting in Irrigation systems. and completely transforming our clients properties into custom landscapes . I've worked on multi-million dollar homes for some of the most prominent houses in the state. On the construction side I've worked with demolition teams where we are removing heavy metal scraps , and clearing out old office buildings . And Renovating .I've worked with dry wall. Concrete . I'm familiar with the flagging system and spray markings. I've done a lot of stone work . Transporting heavy rocks for decor , mulch etc. My job is physical and consists of longer hours . With my company we work with private clients and their homes as I mention but we also have contracted business with a lot of the first banks throughout Colorado .In which that we do our business with , along with areas located downtown near the 16th street shopping centers .
