Security Guard/ Guest Services

StoneRide Management Company/ Centerstone Hotel - Rochester, MN - 2015-02 - 2016-08

Responsibilities

Locking up doors, patrolling the premises, help any guest in need, bringing the guest any items they call for, making sure the guest of the hotel and restaurant is safe and having a great time. Driving people to the airport and picking them up. Driving mayo patients to the hospital and picking them up

Accomplishments

The impact this job had on me is that always be kind and polite to people even if they are angry. The mayo clinic has a lot of patients and they are far away from home. So I had to make sure that they felt safe and this was their second home, because you never understand what type of things they are going through

Skills Used

Critical thinking skills, basic mathematics, patience, being polite.
