EXPERIENCE

Century 16 & IMAX, December 2016 – March 2020 (Assistant Manager)

I was an Assistant Manager responsible for knowing how to run every department smoothly and ensuring the employees were trained properly. I was expected to run a POS system and cash out registers at the end of the night. I have my food handlers certification and I made sure the concession was closed and cleaned properly for the next day. If assistance was needed, I was trained for both the barista and barkeep position. I have experience with customer service in food and ticket sales, and guest complaints.

King Soopers, August 2020 – June 2021 (Baking Department/Pickup)

I was responsible for icing and boxing the donuts as well as bagging the bread stock for the day. I stocked shelves, broke down the morning load, dated/stored icings and other dry goods for storage, and helped other departments like pickup if it was needed.
