

Job Description Denester Filler

SUMMARY

Responsible for keeping an adequate supply of empty product trays in the denester. If absent, another trained employee or trained backup will be scheduled to cover responsibilities for this position.

PRIMARY RESPONSIBILITIES

1. **Personal Protective Equipment Required (PPE):** ear plugs, hairnet, hood, required gloves, disposable sleeves, clean smock, and disposable boots. Sanitize sleeves and gloves every 15 minutes. Comply with product contact GMPs (QA0183WI Good Manufacturing Practices)
2. Retrieve a single box of trays from the Production Scanner at the threshold of the production room
3. Transfer box of trays from the wood pallet at threshold to a blue plastic pallet in production area
4. Using a pallet jack designated for that room, pull the pallet of trays over to the machine that will be filled
5. Wash hands, change sleeves and gloves
6. Pull bags of trays out of the box
7. Stage stacks of trays on the table/cart at the denester
8. Place small stack of trays into each slot of the denester
9. Keep an adequate supply of empty product trays in the denester
10. Manually place trays onto the conveyor as needed
11. At the end of the production run, place loose trays back into bags and return to inventory
12. Adhere to company Employee Hygiene Practices, company food safety procedures and GMPs
13. Other duties as assigned by the Lead and Production Supervisor
14. Backup to Hopper Filler: Verify routine hourly line sanitizing and line sanitizing at breaks
15. Backup to Hopper Filler: Sign off on the Daily Line Sanitizing Log daily
16. Backup to Hopper Filler: Insure line employees sanitize hands and manage hand sanitizing alarm

PHYSICAL ENVIRONMENT/WORKING CONDITIONS

This position is in a manufacturing environment and will involve standing and walking for long periods of time, working in temperatures less than 50 Degrees Fahrenheit, frequent lifting of up to 50lbs, and pushing/pulling of 150 lbs. May be required to work an occasional Saturday and/or Sunday as needed.
