

Employer Solutions Staffing Group Direct Deposit Authorization

If you are applying for direct deposit, please make sure that you are mark whether the account is a savings or checking. Failure to provide this information can result in the deposit being delayed for several days. Please also note that it is possible for your direct deposit to be delayed a day or two the first week that your direct deposit is processed. Every bank is different and, although this doesn't happen frequently, it does happen. If you cannot wait a day or two past pay day for your deposit, then we suggest staying with a paper paycheck. The time that the money goes into your account on pay day varies by bank. Please allow until at least 10 am on your payday for the deposit to show.
