## Work Experience

---

### Order Selector

Americold - Denver, CO

January 2021 to Present

- Physically loaded, unloaded and sorted packages of varying sizes and weights by hand, including lifting, pushing, pulling, carrying, scanning, and placing packages in proper areas.
  - Physically bended, twisted, and kneeled in a safe and efficient manner.
  - Efficiently and accurately pulled and checked orders to company standards.
  - Supported other areas of the warehouse such as receiving, stocking, and fabrication shop when not pulling.
  - Lifted up to 100 lbs. and moved heavier items with the use of mechanical equipment.
  - Proficient with forklift and order picking equipment
  - Prepared and loaded voice template into Talk man unit for specific warehouse selecting location.
  - Performed visual and operational vehicle safety inspections and reported any unsafe vehicles to shift supervisor or maintenance personnel.
  - Responsible for ensuring that all cases and pallets are properly identified with the correct store number.
  - Performed count/exception on pick slot locations if quantities are less than requested by Talk man.
  - Secured selected cases and conducted final pallet preparations by wrapping selected load and applying shipping labels.
  - Prepared and placed assembled case pick pallets and moved assembled pallets from picking areas to a dock door or staging area.
  - Observed, reported and corrected (when appropriate) all unsafe and unsanitary conditions that could cause employee and/or customer accidents.
  - Complied with OSHA standards.
  - Assisted in maintaining the security of the warehouse.
- Maintained a clean, neat, and orderly work environment
