## **CNC Machinist**

Parker, CO 80134

[dpaine912@gmail.com](mailto:dpaine912@gmail.com)

2087894226

As a Machinist I take pride in producing quality parts that exceed the expectations of the customers needs. Working closely with those around me searching for ways to improve efficiency and productivity to get work orders out faster and more accurately. This allows for a potential increase production on top of an increase in potential business from existing customers.

Willing to relocate to: Colorado - Texas - Oregon

Authorized to work in the US for any employer

## Work Experience

---

### **Night Shift Manager**

G-Zero CNC machining - Meridian, ID

- Make G and M Code adjustments as needed

## Skills

- Ability to Setup and program parts on GibbsCam for 5 axis machines.
- Run multiple machines.
- Finding ways to improve run times.
- Replace/change tooling in machine as needed.

## Crew Chief

Servpro - Nampa, ID

March 2017 to March 2018

As a crew chief and water restoration technician it is my job to respond to new jobs and make sure the job site is safe for myself and anyone who may enter. Once a initial inspection and pictures are finished you than proceed with going over the appropriate forms before being able to start. Insurance contact to confirm coverage and get approvals for work needed is frequent. Once all approvals are confirmed we are to begin any demolition work required unless structural and set the proper equipment.

## Line Cook

Famous Dave's - Meridian, ID

June 2016 to March 2017

As a line cook my daily responsibilities including prepping all food and maintaining a clean kitchen. Attention to detail was a must for food expirations and proper preparation. Throughout the day I had to prepare various different meals from steaks or burgers to salads or wings

## Shift leader

Pizza hut - Nampa, ID

November 2015 to June 2016

Duties include carrying truck deliveries around and organizing and rotation stock for the store, driving, managing employees and helping customers with orders. At the end of the shift I was responsible for making sure the store was clean and all money was counted and deposits were made And set up for the next shift.
