Work Experience

Outside Operations Supervisor

Omni Hotels - Broomfield, CO

March 2017 to November 2019

I was in charge of making sure the members are ready for their rounds of golf. This includes being to work at 5 am and being done anytime between 9-11 pm depending on how busy the course was. The job title was under hospitality, it included a lot of face to face with the member.

Dishwasher

Georgia Boys BBQ - Frederick, CO

January 2017 to June 2017

I would wash dishes, make sure the kitchen was ready to go for the next day. Towards the end of my time I started doing prep cook responsibilities instead of dish washing
