Work Experience

Machine Operator

Colorado Milling Equipment - Cañon City, CO

September 2021 to November 2021

Would run the machine to cut materials for parts. Had to learn the code that would run the machine so if something was wrong I knew how to fix it. Ran many machines at once at times.

Pallet Sorter

Prime360 - Pueblo, CO

August 2021 to September 2021

Would sort pallets and use the forklift to transport the pallets into the delivery trucks.

Skilled Laborer

McCarthy Building - Pueblo, CO

April 2021 to August 2021

I have done mod install, trash, Spc, Qc, and motor install. I have went beyond expectations and all of my leads and higher can say that I have always worked the hardest no matter the difficulty in situations or in tasks.

Maintenance

Walmart - Pueblo West, CO

March 2021 to April 2021

Was in charge on cleaning the store, fixing many of the machines and keeping an accountability with what is getting done around the store.

Crew member

McDonald's - Portsmouth, VA

November 2020 to February 2021

I worked on the table and grill where i had to excel in a fast paced environment. There were times due to my flexibility where I'd run at least 3 or 4 positions at once. I also had limited time as a supervisor in time of need.

Crew Member

McDonald's - Pueblo West, CO

July 2020 to October 2020

I worked on headset and drive which i learned how to keep customers happy and willing to come back.

Crew

Subway - Colorado Springs, CO

August 2018 to March 2019

Learned how to keep calm in a fast paced environment. Many times ran the floor alone and excelled at keeping customers happy.
