To obtain a job that utilizes and test my skills as a leader and hard worker.

Work Experience

Line Cook/Prep Cook

The Lost Cajun - Arvada, CO

August 2019 to Present

I cook and prep for Lost Cajun. My responsibilities include, keeping up with the rush of customers coming in and making sure food is leaving the kitchen in a timely preset and still hot.

Peeping food includes cutting up catfish, alligator, prep shrimp, & make all other sides.

Assistant Superintendent Intern

Altitude Construction Services - Broomfield, CO

March 2019 to Present

Ensure job site is running smoothly with all Sub contractors. Take on small tasks with the progression of the build. Make sure job site is clean and all subs are keeping the work spaces clean.

Shipping and Receiving

SuperLam - Commerce City, CO

May 2018 to Present

- Receive materials coming into warehouse and check inventory.
- Ship out materials and make sure all numbers add up of what's being shipped out.
- Organize warehouse with proper PO numbers.
- Account for inventory.
- Stage product in separate bays accordingly.

WAREHOUSE TECH / SUPER LAM WAREHOUSE

March 2018 to Present

My responsibilities at Super Lam Warehouse include, watching machines press the laminated paper onto melamine for cabinets and desks, load the machines with materials when needed. Drive the forklift to load pallets of finished products onto outbound trucks and unload in-bound trucks with the material deliveries. Repair machinery when needed.

SUB CONTRACTOR

A PLUS FLOORING SPECIALISTS

July 2017 to March 2018

My responsibilities at A-plus flooring included install pre-finished / laminate flooring, sand and re-finish wood floors. Help organize our main shop and warehouse, manage others on job sites, and communicate with customers.

SUB CONTACTOR / MILE HIGH FLOORING SOLUTIONS

May 2016 to July 2017

My responsibilities with MHS included floor prepping. Installing Pre-finished / Laminate flooring. Cleaning of the floor and sub floor prep and covering material after installation was completed.

FIELD TECH

March 2015 to May 2016

While working with Hired Gun I supervised a crew while making sure our jobs were done efficiently and in a timely manner. I also worked with industrial machinery and learned the basic skills of maintaining them.

STATION MANAGER

Air Care Colorado

April 2013 to March 2015

My responsibilities as a manager for Air Care Colorado was to do weekly scheduling for employees, make sure all employees were to follow state regulations. Daily balancing of all credit and cash transactions. To make sure customer satisfactions were met and run daily diagnostics checks on state certified equipment.
