

DAMAR KEATON

415 Belle Aire Drive, Champlin, MN 55316 | C: 952-210-7302 | deekeaton086@gmail.com

Summary

I have a strong background in deburring metal and plastic's within the medical manufacturing field. I am familiar with Iso regulations and SOP's as i have been in this field for over 8 years. Some of my other skills include Warehouse(pick & pack),Sandblasting,Tumbling, Heat treating Metal and a strong use of Microscope's.

Skills

- Deburr tech (Metal & Plastic)
- Sandblasting(ceramic beads)
- Tumbling
- Blueprint reading
- Heat treat
- Warehouse

Experience

- Finisher** **06/2015 to 08/2016**
Metal Craft machine & engineering **Elk River, MN**
Maintained strict quality requirements using scales, calipers and micrometers. Interpreted blueprints, drawings, and written and verbal instructions to set up jobs. Met company standard times and individual productivity goals consistently. Heat treat raw materials to ensure strength to the AMS guidelines.
- Injection Mold operator/ Deburr Tech** **06/2013 to 05/2015**
RMS **Coon Rapids, MN**
Ran plastic injection molding machines and peripheral equipment. Met production goals through timely changeover and proper set up of injection molds and work stations. Deburred plastic parts with the use of a microscope.
- Warehouse (Pick &Pack)** **08/2012 to 05/2013**
Mill Creek Ent **Golden Valley, MN**
Unloaded, picked, staged and loaded products for shipping. Oversaw warehousing and storage practices and housekeeping. Worked at a rapid pace to meet tight deadlines. Verified and recorded the count and condition of cargo received.
- Deburr tech / Machine Operator** **02/2010 to 09/2011**
MP&E **Minnetonka, MN**
Operated manufacturing equipment to maximize product throughput and minimize downtime. Troubleshoot mechanical and processing problems. Completed deburring and cleaning of finished product.

Education and Training

- High School Diploma: Math** **2004**
North High School Minneapolis, Minnesota, United States
Strong Math skills
