- Manufacturing (4 years)
- Inspection (2 years)
- Calipers
- Micrometer
- Press Brake Machine
- GD&T
- Blueprint Reading
- CNC Milling Machine
- Precision Measuring Instruments
- Quality Inspection

## Additional Information

---

I learn extremely fast and enjoy being challenged. I thrive in both multitasking environments and jobs where only a few job duties are exercised. My ability to learn and take pride in my work makes me a valued employee. I tend to be more of a leader and enjoy decision making environments where I can exercise my abilities of problem solving, thinking for myself, and doing what it takes to get the job done in the most efficient and accurate way.
