## Work Experience

---

Exclusive Cannabis - Denver, CO

May 2021 to July 2021

To make sure the product was nice and stable, I would trim defann and harvest from them. I would clean every room, wipe it all down and disinfect it all.

### **Shift Lead**

Tacobell North Denver

March 2018 to May 2021

I would be in charge for a whole closing shift. I would manage up to 5 employees. As soon as I get in I would make sure there's prep and all the food is upto temperature. I'll make sure all the employees gotten their breaks. And at the end if the shift well clean everything and make sure the grills are clean and sanitized.

### **Molding Tech**

Alfred Manufacturing - Denver, CO

When we begin our shift, we will ensure that the molding equipment is ready and that it is greased and bleached so that the machine runs smoothly. But we'd mold gun components all night and shave any excess plastic away.

## Education

---

Thornton high school - Denver, CO

August 2007 to June 2015

## Skills

---

- English
- Landscaping
- Landscape maintenance
