### **warehouse worker**

Interstate Batteries - Commerce City, CO

June 2022 to Present

- Stock new batteries using a forklift.
- Build pallets of new batteries to be delivered.
  
- Build pallets of old batteries.
- Deliver new batteries to different locations throughout the week.
- Pick up old batteries from different locations to bring back to the Warehouse.

### **Stocker**

NAPA Auto Parts

January 2019 to May 2022

My responsibilities are to stock auto parts from different sizes and stock them according to where they go. Use the computer to be self-reliant and self-independent to solve problems. Work with others and by myself with limited supervision. Deliver parts to clients in less than 4 minutes every time.

### **Paralegal**

Elinoff Law

January 2011 to December 2018

My responsibilities are to start a file for the clients meaning to order police reports, collect payments, meet with the clients and interpret for them when they meet with the attorney. Go to DMV to get driving records and to reinstate clients at the DMV. Go with the clients to the different courthouses and check them in with the court clerks.

### **Cargo Agent**

united cargo

April 2016 to November 2016

My responsibilities were to transfer any cargo coming in for a different airport or from this one to the next available airplane so that the shipments were to arrive on time to their location. To do this I would have to carry the shipments on to carts or use a forklift, and record everything by using the company's computer. Another thing I had to do was to organize and put the incoming mail into carts using a scanner.
