Work Experience

Warehouse Worker

Charlotte's Web - Louisville, CO

November 2022 to Present

I pick orders with a handheld scan gun for packers and pack orders too. We also have to supply all packers with equipment they need.

Back-end driver

Owens Corning - Denver, CO

May 2022 to October 2022

I am on forklifts putting bins of Different minerals onto a line where it is constantly running. I also took out hoppers and helped move things around the plant. I also helped maneuver bins into tight spaces as well as stacking them too.

Warehouse Worker

Appliance Factory Mattress Kingdom - Thornton, CO

August 2021 to April 2022

I have went up from a place called "AS IS" which was repairing appliances and unloading trucks by hand and dolly to put tags on appliances to machine operator where I drive cherry pickers and pallet riders throughout the warehouses grabbing appliances for customers as well as loading and unloading appliances onto customers vehicles.

Server, Expo, Food Runner dishwasher

Doc's Marina Grill bainbridge seignor living center - Bainbridge Island, WA

September 2020 to June 2021

I would be the one on the like just running food and bussing and doing dishes too is kinda my thing. I will help out anyway. I am quick and am ready to work full time.

Education

High school diploma

Thornton, CO
