

## **Daniel J. Fischer**

1-630-688-9937    maddmandann@aol.com    11622 w Layton dr. Morrison CO, 80465

### **Objective**

Pursue my career in welding and fabrication. To apply and better all of my skills from work and school experiences.

### **Experience**

#### **WELDER/FABRICATOR, METAL CRAFT LLC. ENGLEWOOD CO. - 2018-PRESENT**

Shop fabrication of railings, gates, fence panels, steel cladding and lots of other miscellaneous projects. Job lead on half of shop projects and lead on all installations. Experience using lvd, 10' sheer, forging hammering and shaping custom pieces, and using patina and finishing techniques on various types of metals. Welding requirements were GMAW, SMAW, GTAW. Common materials used: mild hot rolled and cold rolled steel, aluminum, stainless steel, and brass. **Reason for leaving-** not enough work coming in to reach 40 hours a week

#### **WELDER/FABRICATOR, IRISH TONY II. ROSELLE IL. – 2017-2018**

Shop fabrication of stairs, railings, and frames. Field installation of stairs, railings, structural columns, and structural reinforcing. Truck and trailer delivery. Experienced using boom lift, scissor lift, and all terrain fork lifts. Worked great in a team environment and held responsibilities for project deadlines and reading drawings. **Reason for leaving-** Transferring to Colorado.

#### **WATER WELL MECHANIC, FISCHER'S WATER WELL & PUMP CO. BENSENVILLE, IL. – 2012-2017**

Drilled, installed, and repaired all aspects of water wells for homes. Experience with heavy equipment such as cable tool drilling rig, combination front end loader, and cable tool pump hoist. Other requirements included hand digging, torch cutting, stick welding, and the ability to drive trailers. **Reason for leaving-** pursue career in Welding and Fabrication.

### **Education**

Elgin Community College, Elgin IL. – Vocational Specialist In Welding, Graduated 2017

**Classes Include:** Welding I, Welding II, Welding III, Arc welder Qualification, Mig welder Qualification, Blueprint reading, Advance Blueprint reading for welders, Metallurgy, TIG Techniques, and Advanced welding techniques receiving an A-B average in all classes.

### **Certifications**

**GMAW-** 3G and 4G certified open root, 1/8 to 3/4 plate thickness

**SMAW-** 3G and 4G certified open root, 1/8 to 3/4 plate thickness

### **Skills/Assets**

- Forklift, Scissor lift, Boom lift
- oxy acetylene/plasma cutting
- Bandsaw
- Ironworker
- Pulling a trailer
- stick, mig, and tig welding
- welding aluminum and stainless steel
- Mag drill
- Orbital grinders
- painting
- finishing/patina's
- forging/ blacksmithing
- folding and sheering sheet metal
- blueprint reading
- clean driving record
- flexible hours
- easy to talk to
- Hard worker not a stranger to overtime
- use of necessary safety precautions
- drilling and tapping
