I'm a High-School graduate and I'm looking for a good company where I can build a career and grow. I am a punctual and dependable worker. I work hard and I always show up on time, I work well with people and I'm highly motivated, loyal, and a dedicated employee. I'm hopeful that my next position will create an opportunity where I can advance, and have a prosperous future. I consider myself to be an asset to any company that I have an opportunity to work for.
