WORK EXPERIENCE

Construction Worker

Mg McGrath - Maplewood, MN - 2013-06 - Present

I worked on many different job sites and in the fabrication shop. Learned how to use all the different machines and tools with little prior experience. Always got along well with other coworkers. I am now osha 30, aerial lift, and fork lift certified.

Kitchen Staff

Smoking oak - Red Wing, MN - 2013-03 - 2013-06

Worked in every area of the kitchen. Whether it was the grill, the frier, or the brick oven spinning pizzas I learned it.

Kitchen Staff

BRICKHOUSE - Red Wing, MN - 2013-01 - 2013-03

More kitchen work experience. Mainly worked in the salad area chopping veggies and combining the ingredients for the ordered salad.

Kitchen Staff

Same description and the other time i worked here.

Construction Worker

Mg McGrath - Maplewood, MN - 2012-06 - 2012-09

Spend most of my time doing ground work. This includes getting the next need materials ready for those who are working out of the aerial lift.

Factory worker

Red Wing Shoe Co. - Red Wing, MN - 2011-01 - 2012-05

I learned all the positions on my end of the factory line by the end of my stay here. Even became the head operator near the end for three months before I left.

Cashier

Menards - Red Wing, MN - 2010-11 - 2011-01

Learned how to ran a register and having my people skills really helped here.

Factory Worker

Riedell - Red Wing, MN - 2010-05 - 2010-09

Worker in the assembly and shipping area. This included parting the parts of the skates together and packing them up to be shipped out.
