I possess a wide variety of skills learned through varying industries that give me a unique view of how to tackle and solve many different challenges. I love to learn new things even on my own time and apply lessons learned in all aspects of life to further my career.

Authorized to work in the US for any employer

Work Experience

Heavy Equipment/Industrial Technician

Canyon State Enterprises LLC - Kingman, AZ

August 2022 to December 2023

Full services and repairs to automotive and heavy equipment including heavy haul trucks, dump trucks, forklifts, skid steers, reach lifts, and a large assortment of trailers. Primary focus on diagnostics and emergency equipment repairs.

Automotive Technician

Holdens Auto Service - Kingman, AZ

April 2022 to July 2022

Perform all aspects of automotive and light diesel repair with accurate diagnosis and timely efficient and complete repairs.

Heavy Equipment Mechanic

Mertens Heavy Equipment Service and Parts - Kingman, AZ

September 2021 to April 2022

Service and repair all types of heavy equipment with a primary focus on Bobcat equipment.

Production Lead

Harris Rebar - Kingman, AZ

June 2021 to June 2021

Assist in assembly and installation of rebar bending machines, workspace, and office area. Lead production by example and assist production co-workers to ensure that production goals are achieved in a safe efficient manner. Also oversee machine maintenance and preventative maintenance scheduling to ensure minimal downtime.

Industrial Maintenance Technician

Potters Industries - Kingman, AZ

March 2020 to May 2021

Perform all levels of plant equipment diagnostics, maintenance, welding, patch welding, and design/process improvement. Special attention to preventative maintenance on primary equipment in the plant and preventative maintenance scheduling.

Assembly Technician

Sapphire Scientific - Prescott, AZ

August 2019 to March 2020

Assemble machinery (truck mounted carpet cleaners) from blue print drawings. Last stage in assembly so I'm responsible to check previous stages work and help them reduce mistakes and stay motivated to keep production up. After completing assembly and quality checks I then take machines to testing before shipping to sales.

Service Advisor

Groppetti Automotive Visalia GMC, Hyundai, and Toyota - Visalia, CA

October 2018 to January 2019

Assist customers with their vehicles, write and sell service, schedule appointments, handle cashier duties and accounting.

Heavy Equipment Mechanic 2

Tulare County Resource Management Agency - Visalia, CA

February 2018 to August 2018

Perform all aspects of diagnostics and repair to county vehicles and equipment both light and heavy. Schedule regular and preventative maintenance. Fill out repair orders and part request forms. Provide excellent customer service.

Service Technician

Wasnick Bros Dairy Service - Tulare, CA

May 2017 to February 2018

Diagnose, service, and remodel dairy milking barns, milk storage tanks, and all related systems.

Industrial Maintenance Technician

PENINSULA PACKAGING COMPANY - Exeter, CA

October 2013 to May 2017

Help design, assemble, modify, and maintain industrial labeling, padding, and thermoforming machines that

run using PLC's. Specializing in preventative maintenance and efficiency modifications. Learned to manual mill and manual lathe within .002 and some light welding.

Automotive Customer Service Manager, Diagnostics, and Repair

RODZ AUTOMOTIVE - Visalia, CA

August 2011 to October 2013

Bring in new customers to assist in ensuring the success of the business, provide customer service, service writing, and ensure a smooth flow of work in and out of the shop, as well as performing complete bumper to bumper services including removal and re-installation of engine and transmission assemblies and various fluid flushes, brake jobs, and parts repairs and replacement.

COMMERCIAL ALARM INSTALLER/HELPER

GIOTTO'S ALARM TECH

August 2011 to August 2012

Assist master alarm installers in the installation and maintenance of complete home and commercial alarm systems in customer's homes and businesses, perform job site cleanup after work/ installation is completed, and answer or assist customers in any fashion to ensure that the customers are completely satisfied and confident in the services provided.
