## Work Experience

---

### **Welder**

Arrow Tank & Engineering - Cambridge, MN

February 2018 to Present

Jig, tack, and weld carbon and stainless steel vessels. Set up welding equipment to include welder, plasma cutter, and gas cutting torch.

### **Mechanical Adjuster**

Federal Premium Ammunition - Anoka, MN

October 2015 to September 2017

Responsible for operation, preventative maintenance, and cleanliness of the 9mm bullet assembly line.

### **Crew Leader**

JT Landscaping and Supply

March 2015 to August 2015

for a 4 man landscaping and grass cutting crew. Accountable for \$125,000 of equipment including a dump truck, trailer, mowers, chainsaws, and other various landscaping equipment

- Responsible for repair and maintenance of all equipment including, fluid changes, electrical repairs, sharpening all chains and blades, and adjustments to blade height and angles. If some equipment had batteries such as large mowers with 4 stroke engines and the dump truck, replacement of the alternator, battery, timing belt, drive belts, and timing chains were also listed in the crew leaders' responsibilities.

### **Maritime Raid Force Team Leader**

Marine Corps

November 2013 to September 2014

Planned and supervised the training for 36 personnel. Training included physical fitness, weapons handling, and tactics. Equipment includes radios, trucks when a mechanic isn't available, concrete saws, torches and tanks, and machine gun mounts.

- Ensured there was 100% accountability of over \$500,000 worth of military equipment.
- Accomplished 14 assignments as a team leader in charge of 7 personnel in garrison training and forward deployed with the 13th Marine Expeditionary Unit.

### **Marine Corps Security Guard Supervisor**

Marine Corps Security Forces

July 2011 to September 2013

July 2011- September 2013)

- Supervised and planned the physical security of our nation's strategic assets.
- Planned and executed the movement of over \$116 million of military equipment from Storage areas on base to docks to be loaded onto Navy ships.
- Supervised a crew of 40 Marines in daily operations which included weapons and vehicle maintenance, physical fitness, and tactics. My duties were evaluating performance of their duty, discipline when necessary, and mentoring which resulted in a company record promotion rate.
