Experience

Rally 5 - 3/5/22 - 10/21/22

- Line cook/chef. I would work all parts of the kitchen (Flat top grill, fryer, cold line, sauté) as well as prep for the upcoming shifts through the day. I was required to close which as well included tasks of cleaning the grill, filtering the fryer, sweeping, mopping, dishes, and stocking the kitchen.

Walker Manufacturing - 10/25/21 - 2/13/22

- Requirements of operating machinery (Grinders, manual pallet jacks, power saws) in order to smooth out lawn mower decks before sending them off for painting and drying. I was also responsible for stocking the lawn mower decks and keeping track of inventory as well as cleaning the grinding dust at the end of every shift.

Bath landscaping - 4/10/19 - 10/16/21

- This job required me to operate lawn mowers and trimmers through the day. I maintained the equipment and made sure all properties looked up to par for our company and the clients as well. When the foreman couldn't work, I was second in charge and ran into the crew. (I technically still have this job, but our season is over unfortunately until spring/summer).

Taco Johns - 3/1/19 - 10/15/21

- Operated a POS for all cash and credit card sales. Ability to work the front area and drive-thru area. Familiar with menu items. Provided excellent customer service by assisting customers with menu items and issues with food orders.
