(763)445-1217

- To obtain an excellent career, where I can utilize my abilities to the fullest.

MANAGEMENT

- 3-4 years' management experience, includes general shop manager, general manager, and have managed up to 20 people at one given time. Responsibilities include finding work for company, manage employees, track time cards, managed budgets.

COMMUNICATION

- Can clearly communicate in highly stressful situations to complete any task. Multiple years, experience having to clearly communicate to 30 or more people to complete dangerous tasks. Also have experience working with 15 or more people to perform complex tasks.

LEADERSHIP

- I am a natural born leader, with the knowledge and experience to prove it. When working on a group project I generally take the lead and assign jobs to the people with the best corresponding abilities. The Navy has given me the experience and opportunities to show my best qualities as a leader. I have led teams of 30 to lift multi-million equipment. I have also led multiple teams to erect 60 meter towers.

Authorized to work in the US for any employer
