## Work Experience

---

### **Shipping and Receiving**

Urban Outfitters Inc. - Gap, PA

February 2021 to Present

I have a lot of experience in shipping and receiving. I enjoy doing the work

### **Warehouse Associate**

Walmart - Exton, PA

August 2019 to March 2020

### **Picker/Packer/Shipper**

Penn state industries - Philadelphia, PA

September 2017 to May 2018

To pick and package pen making items in a timely manner. The quota was 134 orders a day I always exceeded the minimum. I started as a picker and soon became a packer two weeks later. I did a little shipping as well. I also had to do cashier sometimes if we were short on staff

### **Picker/Packer/Shipper**

LaMi Products - Philadelphia, PA

August 2014 to January 2016

#### Responsibilities

My responsibilities were to properly pick the desired products of a particular store. I was responsible for the labels that were placed on the product. I was responsible for checking orders. I was responsible for properly placing products on the skids. I was responsible for training new employees.

#### Accomplishments

I was promoted from a picker to a checker in 3 months

## Education

---

### **General Studies**

Fairhill Community High School

## **Bachelor's degree**
