Work Experience

Warehouse Associate

Carefree of Colorado - Broomfield, CO

February 2020 to April 2020

- Order picker
- Forklift operation
- Cleaning
- Loading trucks for ups and ltl
- Making pallets

Forklift Operator

Allegro Coffee - Thornton, CO

January 2019 to January 2020

Replenishing all product and making sure inventory is correct and make sure all the product has enough for the warehouse order pullers to grab the product for their orders. Leveling out all pallets and making all the pallets of the product look presentable as well.

Packager/Assembler

Molecular Products - Northglenn, CO

November 2018 to December 2018

I would package the items and stack the boxes on a pallet and wrap the pallets and move them. I also had to fill canisters up with anesthesia and then weld the canisters. After the canisters were welded I would test them for leaks if there isnt a leak I send them down to be packaged.

Assembler

Custom Made Meals - Denver, CO

October 2018 to October 2018

Keeping other workers stocked up with all the meat, veggies, and ingredients that they need to prepare the food items. Grabbing food items from a conveyer belt and preparing foods.

Package Handler

Fedex

September 2018 to September 2018

My duties at FedEx were to scan boxes that would come my way to make sure those boxes were going into the correct truck. Then I would stack the boxes row to row from top to bottom until the truck was full.

Warehouse Worker

Allegro Coffee - Thornton, CO

March 2016 to July 2018

My duties at this job were to pick orders of coffee, tea, spices, etc.. and put those items on a cart and scan the items and place them in the boxes for that order. I would also tape boxes shut and push them down a line for the orders to be shipped out and put on a truck. I would also stock the lines, replenish items, ship orders on the computer, stack boxes onto pallets, load and unload pallets into and out the trucks, take inventory of the warehouse, make boxes, clean the warehouse, and drop pallets with the forklift. My other responsibility would be to move freight which was pick up pallets that were ready from the production area and put the pallets up in the warehouse.
