

David Gelfand

Welder/ Fabricator

Loveland, CO 80537
dgelfand52@gmail.com
(970)342-4686

As an experienced welder/fabricator, I am experienced in the use of SMAW 6010 and 7018 in all positions and the use of GMAW hard wire as well as Flux Core. GTAW stainless steel and aluminum. I have experienced in layout and fit-up along with some blue print reading. I also have solid experience in all cutting procedures, overhead cranes, rigging, forklifts, punch presses, saws, and most machinery and tools used in general fabrication.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Welder/Fabricator

Colorado precast/oldcastle precast - Loveland, CO
December 2014 to July 2017

- Colorado Precast / Old Castle Precast
1820 14th Street South East
Loveland, CO 80537

I was lead worker for the weld shop. Fabricated all forms out of angle iron from raw material to finished products. Delegated tasks to my crew, made sure projects were completed on time. Supported 60 employees in 3 different shops including fixing all forms and machinery.

- Mountain View Welding
1242 Kimbark St.
Longmont, CO

This is a structural Fab. Shop. My responsibilities included the layout and fit-up and welding of bases plates and clips for beams and columns. With the use of dual shield.

- Advanced Tank
3700 County RD 64
Wellington, CO

This Fab. Shop manufactures large tanks. My responsibilities included the layout and fit-up of the floors and lids of the tanks. Then welding together with use of flux core.

Education
