Hard working, and eager to work. I know that quality of my work is just as important as quantity.

Work Experience

Laborer

Kruse Construction Unlimited LLC - Wisconsin Dells, WI

June 2003 to January 2017

- Apply weather-stripping to reduce energy loss.
- Clean or prepare construction sites to eliminate possible hazards.
- Dig ditches or trenches, backfill excavations, or compact and level earth to grade specifications, using picks, shovels, pneumatic tampers, or rakes.
- Erect or dismantle scaffolding, shoring, braces, traffic barricades, ramps, or other temporary structures.
- Grind, scrape, sand, or polish surfaces such as concrete, marble, terrazzo, or wood flooring, using abrasive tools or machines.
- Load, unload, or identify building materials, machinery, or tools, distributing them to the appropriate locations, according to project plans or specifications.
- Lubricate, clean, or repair machinery, equipment, or tools.
- Measure, mark, or record openings or distances to layout areas where construction work will be performed.
- Mix ingredients to create compounds for covering or cleaning surfaces.
- Mix, pour, or spread concrete, using portable cement mixers.
- Mop, brush, or spread paints, cleaning solutions or other compounds over surfaces to clean them or to provide protection.
- Perform building weatherization tasks, such as repairing windows, adding insulation, or applying weather-stripping materials.
- Position or dismantle forms for pouring concrete, using saws, hammers, nails, or bolts.
- Provide assistance to craft workers, such as carpenters, plasterers, or masons.
- Signal equipment operators to facilitate alignment, movement, or adjustment of machinery, equipment, or materials.
- Smooth or finish freshly poured cement or concrete, using floats, trowels, screeds, or powered cement finishing tools.
- Tend machines that pump concrete, grout, cement, sand, plaster, or stucco through spray guns for application to ceilings or walls.
