## WORK EXPERIENCE

### **Machine Operator**

Boyd Technologies - Lee, MA - 2016-03 - Present

I help operate several different paper product packaging machines. As well as setting up and breaking down the different types of equipment as needed. We also fully document the procedures throughout the day.

### **Stocker/Receiver**

Walmart - Murphy, NC - 2015-06 - 2016-06

#### Responsibilities

Unload general merchandise truck. Unload grocery truck. Down stack grocery pallets. Put merchandise and grocery on shelves in my designated area. Label and bin overstock. Zone isles. Also one day a week I worked in the office. I took incoming calls to the store and directed them to the right departments.

#### Accomplishments

I'm one of their most reliable and hard working employees.

#### Skills Used

Mainly a lot of manual labor in a fast pace environment. With great customer service.

### **landscaping Business**

Self Employed - Great Barrington, MA - 2009-04 - 2014-07

#### Responsibilities

Gas up my mower and weed whacker. Put them on my trailer and drive to clients property. Then I would carefully mow the lawn and weed whack the edging around the house.

#### Accomplishments

Everyone said I did a great job, I was always there when needed and the price was very fair.

#### Skills Used

Hard work, reliability, responsibility.

### **Security Officer**
