I am an individual who can be an asset to your company. I put the work, the company and the product before my own needs while I am at my place of employment. It is always taking pride in my work and for the company I am working for. I can bring my skills into your company and be sure that I am doing some good for your company and myself.

EXPERIENCE

DECEMBER 2017 – JANUARY 2018

LUMPER, SWIFT

Material handler, shipping and receiving

OCTOBER 2013 – OCTOBER 2017

CNC MACHINIST, LEADMAN, MYERS POWER PRODUCTION

Measured and marked dimensions and reference points accurately. Analyzed and followed blueprints, diagrams, and drawings to accurately complete assembly tasks. Dismantled and inspected components and adjusted and repaired them as necessary. Expertly drove forklift and other machinery as needed. Trained, directed and instructed apprentices and helpers. Calculated and set controls to regulate machining factors like part speed, feed, coolant flow, depth and angle of cut and clamping methods. Operated hand tools, drill presses, riveting machines and tap burners. Maintained logs, lists, and files promptly; completed all necessary paperwork. Managed department when supervisor was absent or away.

MAY 2013 – SEPTEMBER 2013

GENERAL LABOR, PROACTIVE STAFFING

Substituted as needed for ill or absent warehouse employees. Performed minor repairs and general facility maintenance tasks as required by supervisor.

SEPTEMBER 2008 – APRIL 2013

CREW SHIFT LEADER, CARL'S JR GREEN BURRITO

Worked as a team member performing cashier duties, product assistance and cleaning, stocked and rotated inventory regularly.
