SUMMARY

I am a determined worker with a background in processing of merchandise and making sure that they are ready for the sales floor.

I am experienced as I have been working at HomeGoods for the last two summers. I have an excellent reputation as I am always their go-to person whenever they needed help with merchandise.

SKILLS

Merchandising skills

Display setup

Ability to work under pressure

I do absorb and understand information passed from my supervisors and I am able to share it with my team members.

I am self-motivated and I can complete a task that I have been assigned.

I always keep time and always come to work on time.

I always keep a positive attitude and try and make people around me comfortable when working.

I like learning new things and always ready to change to new ways.

I am a team player and I do believe working together makes work easier.

EXPERIENCE

Process Associate, HomeGoods, May 2018-August 2018

Plymouth, MN

Made sure that the merchandise was loaded off the trucks and pushed on the lines for processing.

Processed and opened furniture and made sure they were ready to be put in the sales floor.

Helped with processing boxes and unwrapping the merchandise to be put on the sales floor.

Helped customers with lifting heavy furniture, garden pots and any other heavy merchandise customers needed help.

Always cleaned up the backroom processing area once a week or maybe once in two weeks,

after everyone had left.

Helped other associates to build and put together merchandise when they needed help.

I worked at HomeGoods during holidays and summer breaks for both summer of 2017, 2018 and part 2019.

EDUCATION AND TRAINING

Some College (No Degree)

Accounting, North Iowa Area Community College, Mason City IA 2019

I am a honor student. I was a second-team academic all-region honors fall semester and also made first team academic all-region honors being a student athlete.

I was awarded NIACC Trojan Athletics academic excellence award for the the Men's basketball team.

I was a student speaker during graduation for this ending spring school semester.
