Additional Information

Skills

I have many years of experience working full time always on my feet, always working hard. I love to work and I'm very independent, but I'm also good at working on a team, as teamwork is a big part in a lot of jobs I have worked for. I'm a fast learner, so a new surrounding wouldn't take me long to adapt to. I'm educated, fast on my feet, and am open in schedule to work any day of the week anytime you need me. Including If somebody called off I would be able to come in at any given moment. I'm loyal to the places I work for, and always work to the best of my ability. I never let my job down, I'm always on time and loyal to the company.
