

# DEMETRIUS GRAVES

Philosopher & Visionary

Security & Staff Development

## OBJECTIVE

I want to change lives positively through education, while building character and integrity in my own mind, body and soul. This will allow me to create a safe and innovative work environment that I believe in. As well as, having the golden rule of treating others with respect while working together to build a brighter future.

# EXPERIENCE

## Platte Valley Youth Service Center 2019-2021

program and holding the youth accountable. At this position I have been able to build rapport with youth, respond to codes, and I have a hand in implementing sanctuary commitments. Whenever there is a problem unit in the building or a hotspot, shift supervisor can count on me to diffuse the situation. My strongest quality is running community groups on the unit and holding the youth accountable.

### Assistant Football Coach

Platte Valley High School  
2017-2020

At Platte Valley High School, I was the defensive backs and running backs coach. My tasks were creating workouts, holding the students to a higher academic standard, and developing the minds of the next generation.

---

### Administrative Assistant

University of Northern Colorado  
2015-2019

I worked as a work-study employee of three departments within UNC libraries; I work with materials management, serve as an Administration assistant, and work as a courier delivering books and packages to other libraries within Greeley.
