4630 W. 32nd Ave Denver, CO 80212 · 719-661-3122

Derek.Adams@live.com

I am a recent graduate from Lincoln College of Technology. I have received my degree in welding and fabrication. I am currently looking for a full-time position to utilize my skills and build a career within the welding industry.

EDUCATION

10/2020 - 05/2021

LINCOLN COLLEGE OF TECHNOLOGY, WELDING AND METAL FABRICATION

With a finishing GPA of **3.95**, I have received my degree in welding and fabrication. I have learned how to use stick, mig, and tig styles of welding on all certifiable positions. We were taught about proper joint set up as well as open root and backing groove welding. I am familiar with oxyfuel, and air carbon arc cutting and gouging. I am also OSHA 10 certified.
