EMPLOYMENT OBJECTIVE: Seeking a rewarding position where opportunities are an expression of excellent performance, and a place for growth within the company and myself. Striving for a career with opportunities of gaining knowledge and experience. I am a confident, hard-working employee who is committed to achieving excellence.

SVI Trucks

1/19-7/23

FIRETRUCK ASSEMBLY

Responsible for reading specifications for every truck and building each truck according to specifications. Building and installing different components for each truck. Maintaining a clean and safe work area, as well as making sure all trucks are completed with correct hardware, properly sealed, washed and detailed before final inspection.

Golden Aluminum

9/18-12/18

MELTER/ALPUR OPERATOR, FORKLIFT OPERATOR

Responsible for maintaining a clean and safe work environment. Operate and tend to furnaces such as gas, oil, electric-arc, electric-induction, open-hearth and oxygen furnaces to melt and refine metal casting to produce specified types of allied aluminum. Skim alpur of dross. Took samples of melted aluminum that would pass specs for casting. Also operate forklift to fulfill job requirements.

Habitat for Humanity

9/12-8/18

PATIO SUPERVISOR/SAFETY OFFICER

Responsible for donations, maintaining the organization of the patio. Handling employees as well as volunteers. Excellent customer service. High attention to detail and other possible safety concerns. Making sure employees are following the safety procedures when lifting, moving heavy items and using dangerous machinery. Striving to keep the workplace a safe environment. Safety coordinating techniques. Other duties as assigned.

Snelling Staffing/Parkway Products

5/12-9/12

MACHINE OPERATOR/ASSEMBLER/DETAILER

Certified machine operator trained in building top quality products. High attention to detail was critical as I was producing parts used in Surgical robots, government issued units and motor parts used in the aeronautic field. I achieved "Employee of the month" my first month of being employed as I developed a ground-breaking idea that was used throughout the entire company.

Sushi Zensai

5/11-5/12

SERVER

Responsible for opening restaurant sufficiently and on time. Maintaining a very clean environment. Was promoted to "Shift Leader" able to oversee sales as well as manage employees efficiently. Produced 5-star customer service and food quality. Cash handling and balancing cash register.

Mare's Bar & Grill

7/09-9/11

CHEF/MEAL PREP/TRAINER

Gained knowledge to build a menu in a "scratch kitchen" Able to work efficiently in a fast paced environment. OSHA certified. Following all safety precaution when preparing meat, handling allergens and maintaining cleanliness. Also supervised five or more kitchen staff, overseeing duties and proper training.

Asian Cafe

4/05-7/09

BARTENDER/SERVER

Responsible for analyzing the ingredients in each menu item and knowing sensitivity to allergens. Taking responsibility overseeing servers that are inexperienced and need guidance to help them grow as employees.

Rasgorlude Paint Co.

10/02-2/05
