AWARDS

Keith Potter Award

March 2008

Keith Potter Award - Outstanding HHA Goalie

This award was instituted by Keith Potters parents, Mr. & Mrs. Newton Potter, in memory of their son. Keith was a Hutchinson High School Goalie who passed away from cardiac arrest during a high school game in 1976.

This award was originally given to the outstanding goalie in Central Minnesota Hockey League, but then the league disbanded in later years, the award was then given annually to a goalie from the HHA.

This award is selected by vote of the HHA Board of Directors.

ADDITIONAL INFORMATION

Was rated #13 in my age group for best goalie in the state of minnesota in 2012. Fifty of the state's top high school goalies participated in the 2012 Minnesota Hockey Dave Peterson Reebok High Performance Goalie Camp, July 26-29, at the Schwan Super Rink in Blaine.

The four-day, invite-only goalie development program, now in its eighth year, is designed to improve the individual skills, techniques and athleticism of goalies in the 15-to 17-year-old age group
