WORK EXPERIENCE

Security Guard

Job 1 USA - December 2013 to August 2015

Security Guard

Job 1 USA - Little Rock, AR - December 2013 to August 2015

Responsibilities

I checked visitors ID and check them in and out by writing down there name and the time they came and left the building and who they came to see. I secured the buildings & checked around the whole premises making sure everything is okay and nobody is just hanging around or doing anything illegal. Checked all floors of the building making sure all residents are okay & checked fire alarms making sure they are turned on and working correctly just in case of an emergency.
