Work Experience

Supply Chain Representative

ProTrans International - Romulus, MI

September 2020 to April 2022

Directly responsible for the successful generation, fulfillment and delivery of customer purchase orders. This included,(but not limited to), coordination, execution, problem resolution, analysis and communication necessary to ensure an excellent customer experience.

Shipping and Receiving Supervisor

DIE SERVICES INTERNATIONAL - Belleville, MI

December 2016 to January 2018

Under the direction of the immediate supervisor, I overseen the shipping, receiving, routing and verification of all merchandise. I also organized, distributed and verified the work of others and participated in their training while maintaining, updating and verifying accuracy of all shipping and receiving records.

Material Handler/Forklift Operator

Mastronardi Produce Livonia - Livonia, MI

April 2015 to January 2016

Received delivered supplies, materials, and equipment and confirmed that delivered goods matched purchase order specifications of quantity, condition, model number, etc. Completed all necessary paperwork for stock items received. Conducted weekly cycle counts of inventory materials based upon computer-monitored suggested re-order listing and assisted in conducting complete physical inventory count annually. Organized and maintained warehouse and inventory areas for efficient material storage and handling. Maintained labeling systems on each stock item. Manually stocked inventory shelving with stock items received or returned.

Reach Truck Operator/Forklift Operator

Pratt Industries USA Livonia - Livonia, MI

August 2012 to March 2015

Performed tasks associated with moving goods from one place to another. Supplied production area with product or removed finished goods to the warehouse storage area. Responsible for inspecting forklift before daily use. Checked inventory, did product counts, tagged and/or re tagged product. Scanned product to appropriate

destination using hand-held bar-code scanner.

Order Selector

JDS Industries - Romulus, MI
May 2012 to August 2012

Efficiently picked customer orders for shipment, ensuring that the correct number and type of product is loaded and shipped. Assembled various types of merchandise for shipment.

Carried and/transported orders to shipping locations or delivery platforms with material handling equipment. Tagged and marked orders as requested. Operated forklift in performance of order filling duties when required. Repacked and weighed any orders that required such handling when necessary.

Material Handler

J.B. Hunt - Plymouth, MI
September 2010 to March 2011

Loads, unloads, and moves materials within or near plant, performing any combination of the following duties: reads work order or follows oral instructions to ascertain materials to be moved. Loads and unloads materials onto or from pallets, trays, racks, and shelves by hand. Loads materials into vehicles and installs strapping, bracing, or padding to prevent shifting or damage in transit. Counts and records number of units of materials moved or handled on a daily production sheet. Attaches identifying tags to baskets for proper shipping.

Education

Certificate of Completion in Electronics/Robotics and Alternative Energies

William D. Ford Career Technical Center - Westland, MI
2008 to 2010

G.E.D. in General Academics

Inkster High School - Inkster, MI
