Ambitious and responsible worker, eager to obtain an entry-level position where I can utilize my prior experience and education to help expand the company.

Work Experience

Picker/Packer/Shipper

STG Electric Services - Romulus, MI

November 2021 to June 2023

- Receive, store, and distribute supplies within warehouse.
- Maintain records of all inventory, merchandise, and shipping materials.
- Operate forklift, hi-lo, and cherry picker to load and unload semi trucks.
- Affix labels to incoming merchandise from suppliers to input quantities into system and determine correct location for routing to storage or shipment areas.
- Support executives by managing extra projects as needed.

Concrete Truck Driver/ Finisher

Royal Cement and Construction Co. - Southgate, MI

January 2019 to October 2021

- Performed both structural and flat poured concrete work.
- Worked quickly in physically demanding, fast-paced, and challenging environments.
- Prepared, built, and maintained various concrete structures such as floors, roads, ramps, driveways, patios, and sidewalks while ensuring that the company's high standards were met.
- Used chemical additives when needed to help speed up the dry time of the concrete.
- Read and followed blue prints and schematics.

Inspector/Packer

LKQ Corporation/Keystone Automotive - Romulus, MI

October 2016 to December 2018

- Examined incoming vehicle products from supplier; Final Visual Inspection of products prepared for delivery.
- Prepared and filed inspection reports and inventory records.
- Operation of Hi-Lo to load and unload vehicle products from semi-trucks.
- Communicated with suppliers via telephone, email, fax and in person to ensure proper delivery.
