I'm a very hard worker that learns at a fast pace. I can complete any task that is given to get the job done. I have many experiences in different trades. I have a clean driving record with a class A CDL with tankers with no accidents and a good background with random drug testing. I'm ready to start a career and not just a job.

Work Experience

Truck Driver Class A

Republic Services-Grand Junction, CO

March 2022 to Present

My job includes running 275 + miles a day tractor and trailer hauling waste to a private landfilled. I also was one of the few that could run heavy equipment such as loader, excavator, forklift so I had 2 tasks out the day to operate.

Construction/Remodeling

American Remodeling, Inc-Denver, CO

January 2021 to May 2022

Window and doors install for many homes all through the Western states. Customer service was my number one priority to make sure they were satisfied with my job.

Oil Field Worker

Elkhorn Construction, Rifle Co-Rifle, CO

March 2017 to December 2019

Worked in the oilfield doing insulation pipeline. I was a big part of the team due to my knowledge in the field and could take leadership to get the job done.

Equipment operator

Willow creek-Greeley, CO

August 2016 to March 2017

Was in the front range hauling gas line and running heavy equipment. On my team I was the only one with flatbed hauling experience so it was on me to make big decisions to get in and out of tough landscape sites in a safe manner.

Service Technician

Weir SPM-Grand Junction, CO

November 2014 to August 2016

I was a service oilfield technician. My job was high pressure testing and UT diagnostics tech. Customers relied on me to make sure everything was fixed and was ready to operate in a safe manner.
