Work Experience

Maintenance Technician

EMICH CHEVROLET - Lakewood, CO

November 2021 to Present

While working at Chevy I learned lots of basic ways of shop working and being a mechanic ways to do things and how to make me faster, got a about 5 months of oil changes and about 5 months of experience working in cars (heavy line), worked under a certified mechanic.

C Technician

Big O Tires - Firestone, CO

May 2022 to April 2023

What I did while working there was all mechanical side of and also tire side (brakes, guilds, motors, suspension, alignments, cleaning)

Lube Technician

Family Tire Pros - Windsor, CO

January 2021 to November 2021

While working at family tire pros I did oil changes tires and also learned how to alignments.

Cart Pusher

Walmart - Arvada, CO

January 2018 to January 2021

I worked at Walmart as a cart pusher for a good amount of time threw out high school. This job taught a lot of things most importantly this job taught a lot about responsibility with school not being my favorite thing in the world. While being a cart pusher threw the winter and the summer I also helped with stocking shelf's , unloading the truck ,and moving pallets around when stock was closed.
