WORK EXPERIENCE

Warehouse Associate/Forklift Operator

Oasis, Universal Minerals, Loanstar Staffing - Houston, TX - February 2012 to October 2015

Responsibilities

(Oasis) Made sure antifreeze & coolant was stacked correctly onto the pallets. Shipped down and pallets were correctly wrapped and ready to be shipped off. Certain colors on the pallets also meant how many orders were going on there. Use forklift to take either to racks or load on trailer.

(Universal Minerals) Mix pool cleaning with the proper minerals then bag them (forklift) and load into the trailer (Loanstar Staffing) been with this company for about 2-3 years on contract job from forklift operator, warehouse, construction etc.

Accomplishments

Job well done and fast pace. Consistent.

Skills Used

other than labor well with forklift.

Consistency & fast pace. Also able to multitask while doing the job assigned.

EDUCATION

Business Management

San Jacinto Community College - Houston, TX

2011 to 2015

SKILLS

Forklift certified. Certified in adobe photoshop & printing press. Fast typer and well with computers

ADDITIONAL INFORMATION

I do know a little Spanish. Enough to meet and greet. Pickin up more would not be hard for me.
