OBJECTIVE

- A wind turbine technician position.

PROFILE

- Ambitious and motivated worker, who is also flexible, versatile and willing to travel. I thrive in fast paced, production-driven environments, am a team player and have excellent communication skills. Can quickly master new technology and work procedures and would like to put my talents at the service of the environmental cause.

EDUCATION

- *Surveying Engineering* (National Technical Un/ty, Athens, Greece, 9/83-6/85, GPA: 3.33)
- *B.S. in Astro/Aeronautical Engineering* (Ohio State University, 6/88, GPA: 3.01)
- *High School Mathematics Teaching Credential* (CalStateNorthridge, 5/07, GPA: 3.37)
- *Wind Technician Training* (CaliforniaWindTech, certification with honors (96%) 11/10)
Wind Power Systems; Wind Turbine Schematic Reading and Circuit Troubleshooting; Fluid Power Systems; Basic Electrical Systems.
- *NFPA 70E, OSHA 10, First Aid and CPR certified*

SKILLS SUMMARY

- Extensive experience with hands-on precision work and troubleshooting machines. Proficient in motorcycle maintenance and overhaul (including complete engine rebuilding).
- Knowledge of industry related tools and power tools.
- Experience with calibrating and testing equipment. In college worked with precision measuring devices in structures labs and with windtunnels.
- Able to apply the engineering mind in a variety of situations, find underlying core patterns and implement innovative solutions.
- Acute spatial and visualizing ability. An intuitive skill initially, refined into its formal version through many geometry courses.
- Fit to climb multiple towers in a day; no fear of heights.
- Working knowledge of MS Word, Excel, Outlook; general office skills.

WORK HISTORY

- Deckhand on commercial fishing vessels in Alaska from 7/89 to 10/89.
- Motorcycle court filer from 7/90 to 9/94 (Aerospace contracted in early the 90s-few jobs).
- Distinguished staff trainer for 24hrFitness from 9/94 to 12/00.
- Owner-operator of my own strength and conditioning business, specializing in soccer fitness from 6/98 to 2/03.
- Substitute high school teacher (day-to-day and long term) from 2/03 to 7/04.
- Credentialed high school mathematics instructor from 9/04 to 2/09.
- Unemployed from 2/09 to 4/11.
- Solar Field Energy Advisor from 4/11 to now.
