Footlocker, Inc. Assistant Manager, Brazos Mall

Key-holder, stocker, cashier, trainer, paperwork, inventory, and achieving goals. Such as good marketing, sales, achieving contests, and conferences with wonderful managers.

Additional Information

Generosity helping the brand with whatever I can to make the store progress. Like running a store alone during any part of the day. Sometimes it was amazing being there a full day because I learned a lot working on my own and training others to accomplish and achieve their goals.
