Work Experience

Manager Associate

HERTZ-Aurora, CO

March 2024 to Present

in this role, I do a variety of tasks including renting, detailing, keeping the maintenance up on vehicles as well as notating damages, and filling out damage estimates. I also answer phones for questions from customers and help them book and schedule pickup times and dates. in addition, I manage a team of drivers and delegate them to various tasks. all while providing great customer service and maximizing sale opportunities.

Retail Sales Consultant

Bridge Locations-Denver, CO

October 2022 to Present

This position consisted of greeting customers and making them feel welcome into our store. as well as uncovering their needs and looking to maximize opportunities to sell one or more of our services and also educate them on the services I offer while being consistent in my pitches and providing great customer service As part of my previous role, I had the responsibility of greeting customers and ensuring that they felt welcome in our store. Additionally, I understood their needs and tried to find opportunities to sell our services. My focus was also on educating them about our services while being consistent in my approach and providing excellent customer service.

PDI Technician

Enterprise Holdings-Henderson, CO

March 2022 to September 2022

when the new cars arrive my job is to remove all of the excess plastic that comes on the vehicle from the factory. Then I proceed to install the car into the computer system that we have and match the keys to the tag. After all that is finished when the license plates arrive I match the license plates with the keys to the corresponding vehicle then the keys are given to the dispatcher who gives the keys to the drivers.

Packdown Associate

The Home Depot-Brighton, CO

September 2020 to December 2020

In this position, I was asked to use the Ballymore to take the boxes down and restock whatever was missing from the shelves and whatever was not needed went back up and was organized
